

FAASTeam presents:

## **Startle Response- GAJSC Topic of the Month**

## Topic: Startle Response

The FAA and industry will conduct a public education campaign emphasizing training to effectively cope with unexpected events

### Background:

The General Aviation Steering Committee (GAJSC) System/Component Failure work group feels that training and education in coping with events that startle pilots will help to mitigate inappropriate response to sudden onset emergencies

Teaching Points: Discuss the difference between reflexive and reasoned responses to stimuli. Discuss the safety benefits of flight risk assessment and management. Discuss the safety benefits of emergency procedures training. Encourage pilots to participate in WINGS Pilot Proficiency Training.

**Directions:** We will meet in the FBO Conference Room. Prior to attending a safety seminar, please review and abide by current CDC, State and Local health guidelines.
